Stubborn Case

"I was under the treatment of two doctors," writes Mrs. R. L. Phillips, of Indian Valley, Va., "and they pronounced my case a very stubborn one, of womanly weakness. I was not able to sit up, when I commenced to take Cardui.

I used it about one week, before I saw much change. Now, the severe pain, that had been in my side for years, has gone, and I don't suffer at all. I am feeling better than in a long time, and cannot speak too highly of Cardui."

TAKE The CARDUI Woman's Tonic

if you are one of those ailing women who suffer from any of the troubles so common to women.

Cardui is a builder of womanly strength. Composed of purely vegetable ingredients, it acts quickly on the womanly system, building up womanly strength, toning up the womanly nerves, and regulating the womanly system. Cardui has been in successful use for more than 50 years. Thousands of ladies have written to tell of the benefit they received from it. Try it for your troubles. Begin today.

DANDRUFF AND ITCHING

Scalp Yield to Zemo Treatment.

Why should you continue to experiment with salves, greasy lotions and fancy hair dressings trying to rid your scalp of germ life? They can't do it, because they cannot penetrate to the seat of the trouble and draw the germ life to the surface of the scalp and destroy it.

Why not try a PROVEN REMEDY? One that will do this. We have a remedy that will rid the scalp of germ life and in this way will cure DANDRUFF AND ITCHING SCALP.

This remedy is ZEMO, a clean, refined, penetrating scalp tonic that goes right to the seat of the trouble and drives the germ life to the surface and destroys it.

A shampoo with ZEMO ANTISEPTIC SOAP and one application of ZEMO will entirely rid the scalp of dandruff and scurf. Do not hesitate, but get a bottle of ZEMO today. It acts on a new principle and will do exactly what we claim for it.

Sold and endorsed at Perry's drug store.

Court of Appeals Decides Horse Trade Must Be Fair.

The court of appeals reversed the decision of the Graves circuit court, in the case of the Commonwealth vs. Dize Watson, and remanded to the court below to overrule the demurrer to the indictment and for a jury trial. Watson was indicted for false pretense in a horse trade. The court says a horse is property, which may be the subject of larceny within the meaning of the statute.

The Little Boy's Treasure.

The other day I read a beautiful story about a shepherd boy. He was keeping the sheep in a flowery meadow, and because his heart was happy, he sang so loudly one day that the surrounding hills echoed his song. One morning the king, who was on a hunting trip, spoke to him and said: "Why are you so happy, my boy?"

"Why should I not be happy?" answered the boy. "Our king is not richer than I."

"Indeed," said the king. "Pray tell me of your great possessions."

"This shepherd boy answered: 'The sun in the bright blue sky shines as brightly upon me as upon the king. The flowers upon the mountain and the grass in the valley grow and bloom to gladden my sight as well as his. I would not take a hundred thousand dollars for my hands, my eyes are of more value than all the precious stones in the world. I have food and clothing, too. Am I not, therefore, as rich as the king?'"

"You are right," said the king, with a smile. "But your greatest treasure is your contented heart. Keep it, so that you will always be happy."

CURIOUS BITS OF HISTORY

By A. W. MACY.

THREE PRESIDENTS WHO PLAYED HOOKEY.

Three presidents failed to attend the inaugural ceremonies of their successors. Both the Adamses have this distinction, and likewise Andrew Jackson. Thomas Jefferson. On the last day of his administration he worked till midnight filling offices and signing commissions, and then slipped out of Washington in the early morning hours of the day that was to see Jefferson installed in his place. His grandson, John Adams, had a better excuse for not attending the inauguration of his successor, Andrew Jackson. Party spirit ran high in those days, and there was no love lost between the two. It is said, however, that Jackson came to Washington with the full intention of calling on Adams and of being friendly, but was dissuaded from doing so by his party associates. Of course this made it out of the question for Adams to attend the inaugural. Andrew Johnson had quarreled with the man who was to succeed him, General Grant, as he had with almost every one else, and neither had any use for the other. Johnson probably would have been willing to attend Grant's inaugural, but Grant peremptorily refused to ride in the same carriage with him.

HELPFUL HINTS ON HAIR HEALTH.

Scalp and Hair Troubles Generally Caused by Carelessness.

Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb or brush belonging to some one else. No matter how cleanly the owner may be, these articles may be infected with microbes, which will infect your scalp. It is far easier to catch hair microbes than it is to get rid of them, and a single stroke of infected comb or brush may work to baldness. Never try on anybody else's hat. Many a hat-band is a resting place for microbes.

If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe, will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "99" Hair Tonic. We honestly believe it to be the most scientific remedy for scalp and hair troubles, and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "99" Hair Tonic is devised to banish dandruff, restore natural color, when its loss has been brought about by disease, and make the hair naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which nourishes the hair roots, causing them to tighten and grow new hair. We want everybody who has any trouble with hair to know that Rexall "99" Hair Tonic is the best hair tonic and restorative in existence, and no one should scoff at or doubt this statement until they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies in Richmond only at our store, The Rexall Store. H. L. Perry Drug Store.

To Help The Fair.

A bill will be presented to the Legislature by Blue Grass horsemen, which, if passed, will mean rich prizes to be offered at the State Fair and the various county fairs of Kentucky for horses and jacks. The plan is to donate the season license fees of horses and jacks, which now go into the county treasuries to fairs to be offered as premiums for horses of the respective classes from which the fees are collected, and for jack stock and jacks. The bill provides that the fees collected in each county shall go to the fair held in that county, and if no county fair is held it shall go to the State Fair.

Interesting Number of Normal Review.

The January number of the Eastern Kentucky Review has reached our desk, and through its pages one can get a comprehensive view of the great work this institution is doing. This edition is known as the General Assembly Number, and evidently has been placed in the hands of every member of the Legislature. We use the following extracts from the Review.

INTERESTING FACTS ABOUT THE 5-YEAR OLD.

The Eastern Kentucky Normal School has completed its fifth year. It has recorded 5,000 enrollments in its register.

Has trained, in part, 2,500 teachers of the public schools.

Practically every one of these 2,500 teachers are now teaching in Kentucky.

More than 75 per cent of these are teaching in rural communities.

Has an annual enrollment exceeding 1,100.

Has issued 101 Advanced Certificates. Is successfully teaching practical agriculture, domestic science and manual training.

Has organized big Fruit Growing Clubs—100,000 apple trees to be grown by the school children of Eastern Kentucky next season.

Has the best practice school in the South.

Has created public sentiment for better schools and better teaching in Eastern Kentucky.

Has sent out the 2,500 teachers, who are doing more effective teaching, keeping 2,000 school houses more sanitary and attractive, starting school libraries in every district, encouraging and inspiring 100,000 boys and girls in the Eastern District to become worthy men and women, and almost revolutionizing large communities by helping them to live their daily lives in a more practical, rational way.

No Reason For Doubt

A Statement of Facts Backed by a Strong Guarantee.

We guarantee complete relief to all sufferers from constipation, or, in every case where we fail, we will supply the medicine free.

Rexall Ordinaries are a gentle, effective, dependable, and safe bowel regulator, strengthener, and tonic. They aim to re-establish nature's functions in a quiet, easy way. They do not cause inconvenience, griping or pain. They are so pleasant to take and work so easy that they may be taken by any one at any time. They thoroughly tone up the whole system to healthy activity.

Rexall Ordinaries are unsurpassable and ideal for the use of children, old folks, and delicate persons. We cannot so highly recommend them to all sufferers from any form of constipation and its attendant evils. Three sizes, 10c, 25c and 50c. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store. The Perry Drug Store.

At a Kansas agricultural experiment station the results of treating animals with kindness were most demonstrated to be of the most practical character. Three cows were selected, and at first treated with the utmost care and gentleness, with the result that they produced 36 pounds of milk containing 4.3 per cent of butter fat. The same cows were then frightened by their attendants howling at them, letting dogs bark at them, etc., with the result that they produced only 23 pounds of milk, containing only 3.2 per cent of butter fat. The farmer, therefore, who says, "So, Milly, sell!" instead of "Hill, ye brute!" is justified by economics as well as ethics.

NO REASON FOR IT.

You Are Shown the Way Out.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of serious kidney illness when relief is possible and proof given that these ills can be cured. The following is convincing proof.

John W. Forman, 8 Montgomery street, St. Sterling, Ky.: "I think my kidney trouble was the result of heavy work. I was compelled to give up all work that required stooping on account of a weak and lame back. I had been laid up for several days at a time, and some time ago began to look around for a cure. Until I began using Doan's Kidney Pills I did not find anything that would prove of benefit to me. I was soon well and strong, and now I am entirely free from kidney trouble. I am pleased to give Doan's Kidney Pills my endorsement."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

FEEDING For Production of Eggs

This is one very essential point, which you should never at any time overlook. Hens cannot lay unless they are supplied with the material from which eggs are made. A Hen is only a machine for making Eggs out of the material which she finds in her feed, and unless she is given the proper TONIC regularly, along with her feed, she cannot manufacture EGGS.

The People's Poultry Remedy

carries within itself every ingredient necessary for the production of Pure, Rich and Wholesome Eggs. It is not only an Egg Producer, but a TONIC which acts quickly upon every vital part, keeping the CHICKENS HEALTHY and free from all diseases and producing a rapid growth of the fowl.
